RE: Cole for Congress, Identification Number C00379735
July Quarterly Report (06/05/2014 - 06/30/2014)

Dear Ms. Davis

The Committee is in receipt of your letter dated August 26, 2014 regarding contributions that appear to exceed the limits set forth in the Act.

An amendment has been filed to address all the over contributions with the exception of Mr. Aubrey McClendon's contribution of \$5,200 received on 06/10/2014. The Committee is in contact with Mr. McClendon regarding the possibility of re-attributing a portion of his contribution to his spouse. Per FEC regulations the Committee has 60 days from the receipt of a contribution to apply any re-attributions. As the 60 day period falls in August the resolution of this over contribution will be shown on the October Quarterly Report.

Additionally the amended report discloses two additional contributions received by the Committee during the reporting period. As these contributions were designated by the contributors as Primary but received by the Committee after the Primary date the original intent was to return the contributions. After closer examination it was discovered that both contributions were postmarked prior to the Committee's Primary. This information has been shown for these contributions in the memo section on the amended report.

If you have any questions, or need any additional information please do not hesitate to contact the Committee.

Sincerely

Rick Nagel
Treasurer, Cole for Congress
